## **5.17 Utility Updates**

### **Water**

Total Usage: 20,195  
Daily Average: 673,000  
Daily Max: 1,366,000

1. Completed annual spring flushing and fire hydrant maintenance.
2. Steve Truax, Josh Reeves, and Danny Powers attended Pipe Repair Training.

### **Wastewater**

Total Flow Treated: 27,626,000  
Daily Average: 920,000  
Daily Max: 1,000,486  
Wastewater Plant Capacity: 54%

1. Greg Semmler and Danny Powers attended Indiana Industrial Operators Association Environmental Manager Training.
2. Satisfactory inspection from the Indiana Department of Environmental Management Office of Air Quality for the Wastewater Treatment Plant Generator.

### **Storm Water Improvements**

1. Received and reviewing bids for storm water improvements for the Legacy Core of Whitestown.

### **DPW**

1. Sent 2 street department laborers, Josh Reeves & A.J. Ball to training at Purdue Univ. for Community-Wide Mosquito Control. They both passed and waiting for their official license to arrive in the mail. Great job to both.

2. LTAP had a training course at the Boone County Fair Grounds for Work Zone Safety A.J. Ball, Josh Reeves and Street Dept. Superintendent all attended
3. Street Dept. is working on a striping project for primary and secondary roads with lane markings. This should be finished by the beginning of May.
4. The parking lot at the new Whitestown Maintenance and Storage Building has been extended to allow more room for equipment storage, parking and easier accessibility for deliveries.

Upcoming:

Racks to be installed to hang salt beds at salt barn location.

Paving of access drive to new maintenance building

More LTAP Training
